Texcare International:

The meeting place for a global audience.

Texcare International is the world's leading trade fair for the laundry, dry cleaning and textile leasing sectors. Every four years, experts from all over the world find in Frankfurt am Main the ideal conditions for forging new business relationships and updating their knowledge in this constantly developing industry.

The facts and figures for the 2016 edition show how important Texcare International is for the industry: 319 exhibitors from 30 countries presented their latest products and innovations to a total of 15,648 trade visitors. For the first time, the fair was held in two halls on a floor area of over 37,000 square metres – an increase of 30% on 2012.

Innovation and sustainability on show.

Market leaders presented their innovative technologies at Texcare International to managers and executives who come to the fair to plan and finalise their buying decisions.

The trade visitors at Texcare International experience the entire textile care market: machines and systems for dry cleaning, washing and drying, efficient logistics solutions, information technology, power generation and recycling.

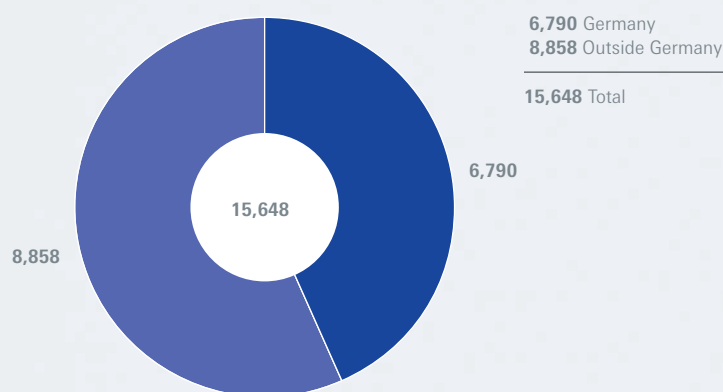

The world's leading trade fair with great potential: The unique industry highlight.

Meeting place for experts from all over the world.

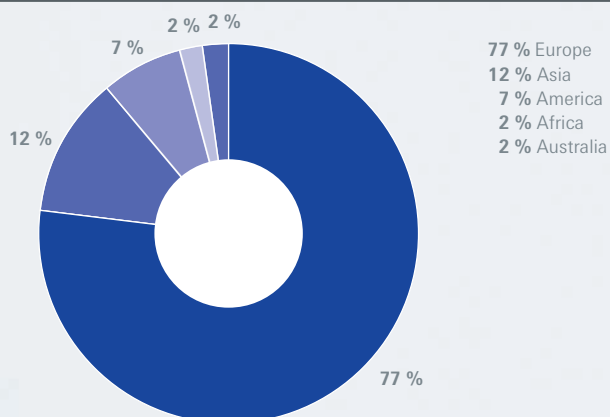

Texcare International 2016 had even more global appeal with 56% of trade visitors coming to Frankfurt from outside Germany.

As a leading world trade fair, Texcare International offers companies the opportunity to raise their global profile and forge new international business contacts. It is not only the European core market that meets here, the interest from Asia, America and Australia is also on the rise.
