Major Exhibit Categories:

Air Quality

- Air filtration system
- Air pollution & gas emission control
- Air purification, deodorisation technology & equipment
- Desulphurisation & dust control technology and equipment
- Gas, smoke, chemical monitoring & treatment equipment
- Indoor air quality technology & systems

Eco-friendly Products

- Bio-degradable & eco-friendly raw materials
- Bio-degradable products
- Recycled products
- Bio-degradable plastic products
- Nano technology & materials
- Organic products
- Recycled paper products
- Recycled plastic products

Green Building and Energy Efficiency

- Architectural & design services
- Building performance & BIM
- Eco-friendly landscape designs
- Eco-friendly materials for construction & fitting
- Energy-efficient devices & products
- Green roof systems & green walls
- Sound & noise control products and services
- Renewable energy resources

Green Transportation

- Eco-friendly vehicles
- Eco-friendly parts & accessories for vehicles
- Energy & charging infrastructures
- Vehicle batteries & energy storage technology
- Vehicle batteries recycling

Waste Management and Recycling

- Biological treatment equipment
- Landfill containment
- Oil recycling technology & equipment
- Organic waste treatment

- Sludge treatment
- Solid waste recycling technology & equipment
- Solid waste treatment & incineration systems
- Collection, Sorting & Transport of Waste
- Waste electrical & electronic equipment treatment and recycling systems

Water Treatment and Quality Management

- Beach, coastal, harbour & marine protection
- Sewage treatment & system maintenance
- Wastewater recycling technology & equipment
- Seawater desalination
- Water-saving devices & products
- Water businesses & solutions
- Water distribution devices & products
- Water purification equipment
- Water resources utilisation

Testing, Analysis and Certification

- Environmental electronic surveillance, monitoring & management
- Environmental information & data processing
- Laboratory equipment & supplies
- Quality consultancy services
- Quality inspection & testing services

Environmental Protection Services and Research

- Association services & government organisations
- Environment-related education & training
- Environment-related media & publications
- Green financing
- Environmental Research & Consultation

Target Buyers:

- Government policy makers, urban planners and related NGOs
- Manufacturers, designers, engineers looking for eco-friendly solutions to their production process and products
- Chain stores, retailers, courier companies looking for eco-friendly packaging materials
- Land developers looking for ecological landscape and construction designs
- Consulting Engineers, Architects and Surveyors
- Cleaning companies and management companies
- Corporate Executives
